

1" Gas Impact Wrench 910071

INNOVATIVE DESIGNS FROM RACINE RAILROAD PRODUCTS

Ergonomic & Versatile

The 1" square-drive Gas Impact Wrench is well balanced for either horizontal or vertical use.

- Roll bar doubles as a handholds with vibration dampening rubber grips.
- Large front handle easily accommodates gloved hands.
- Can be used to drill lag screw holes for tie plate applications with optional auger adapter.

Optional Carry Case Available

The 1" Gas Impact Wrench is designed to tighten and loosen track bolts and lag screws.

Durable

- The roll bar protects the engine components and fuel tank.
- The throttle trigger and shut off switch are fully enclosed inside the roll bar for further protection.

Lightweight & Powerful

- Weighing 43lbs, the powerful 46.5 cc engine with variable throttle control produces a torque fastening range up to 1500 ft-lbs.
