

Gas Tie Drill 910200

INNOVATIVE DESIGNS FROM RACINE RAILROAD PRODUCTS

Ergonomically Designed

Well balanced for easy operation.

- The roll bars protect the engine and components from damage.
- The roll bar also doubles as easy handholds for operator flexibility and comfort.

Lightweight & Powerful

Equipped with the Echo 21.2 cc 2-cycle engine, the Gas Tie Drill delivers plenty of drilling power.

- Weighing only 13 lbs, it will reduce operator fatigue.
- Forward and reverse settings for easy bit removal.
- 1/2" capacity drill chuck included.

Protection From Damage

- Roll bars and ski plate protect the fuel tank, engine, and carburetor from damage.

Specifications
