Welcome to Racine Railroad

Our manufacturing plant and corporate office, located in Racine Wisconsin USA, has been designing, manufacturing and servicing quality maintenance-of-way equipment to the railroad industry since 1970. Our commitment to our customers is to design and manufacture equipment with an emphasis on safety, performance and reliability.

The Engineering team uses the latest design software technology to meet our customer's specifications. The Manufacturing team is committed to produce quality equipment that will ensure many years of reliable service in the field. Our product line is backed by one of the strongest warranties in the industry. All of our equipment is supported by our experienced Field Service team that
