

1" Gas Impact Wrench 910500

INNOVATIVE DESIGNS FROM RACINE RAILROAD PRODUCTS

Ergonomic & Versatile

The 1" Gas Impact Wrench is well balanced for either horizontal or vertical use.

- Roll bar doubles as a handholds with vibration dampening rubber grips.
- Large front handle easily accommodates gloved hands.
- Can be used to drill lag screw holes for tie plate applications with optional auger adapter.

Durable

- The roll bar protects the engine components and fuel tank.
- The throttle trigger and shut off switch are fully enclosed inside the roll bar for further protection.

Lightweight & Powerful

- Weighing 40 lbs, the powerful 4-stroke engine is suitable for remote areas.

The 1" Gas Impact Wrench is designed to tighten and loosen track bolts and lag screws.
