

# TraxMaxx Gas Rail Drill 910195

INNOVATIVE DESIGNS FROM RACINE RAILROAD PRODUCTS

## Compact and Easy to Use

The TraxMaxx compact design allows the operator greater flexibility in tighter work areas.

- The single pull handle incorporates the engine throttle to control spindle speed.
- No tools necessary to change cutters or rail shoes.

## Versatile

- The TraxMaxx accommodates all common rail sections in North America.
- Equipped with a quick disconnect chuck that is compatible with a variety of cutters.

## Durable and Powerful

- Equipped with a Honda GXV57 4-cycle engine for plenty of torque power and reliability.
- The carry handle also doubles as a roll cage to protect the engine and its components.

## Specifications

Engine	Honda GXV57, 4-Cycle
Weight	44 lbs
