

TraxMaxx Gas Rail Drill

GAS

INNOVATIVE DESIGN FROM RACINE RAILROAD PRODUCTS

Model 910195

Engine	Honda, 4-cycle
Weight	44 lbs
Dimensions	17" H x 22" W x 22" L
Accessories Included	Custom carry case Pressurized coolant bottle

Compact and Easy to Use

The TraxMaxx compact design allows the operator greater flexibility in tighter work areas. Single pull handle also incorporates the engine throttle to control the spindle speed. No tools necessary to change cutters or rail shoes.

Versatile

The drill accommodates all common rail sections in North America. The unit is equipped with a quick disconnect chuck that is compatible with a variety of cutters.

Durable and Powerful

The TraxMaxx is equipped with a Honda G35 4-cycle engine for plenty of torque power and reliability. The carry handle also doubles as a roll cage to protect the engine and its components.

Economical

One of the most economical gas rail drills in the market.
