

Tie Drill

GAS

INNOVATIVE DESIGN FROM RACINE RAILROAD PRODUCTS

Powerful and Lightweight

Equipped with the Echo 21.2 cc 2-cycle engine, the drill delivers plenty of drilling power. Weighing only 13 lbs it will reduce operator fatigue. Forward and reverse settings for easy bit removal. 1/2" capacity drill chuck included.

Ergonomically Designed

Well balanced for easy operation. The roll bars protect the engine and components from damage, and double as easy handholds for operator flexibility and comfort.

Protection From Damage

Roll bars and skid plate protect the fuel tank, engine and carburetor from damage.

Model 910200

Engine	Echo, 2-cycle
Engine Displacement	21.2 cc
Fuel Capacity	17 fl oz
Fuel Mixture	24:1
Clutch	Centrifugal
Weight	13 lbs 5.9 kg
