

# Racine Ultra Kut Saws

Standard 2 cycle 14" & 16" models • Premixed fuel/oil - Oil Injected model

## Quick cuts in less than a minute

Ultra Kut has more available power than competitive models. Powered by the dependable Husqvarna powerhead which delivers 9.2 Horsepower @ 9000 RPM, the cutting times are reduced to less than one minute, using a 16" wheel on 132# standard rail.

## Less operator fatigue and easier handling

One of the lightest saws on the market, weighing only 56 lbs, including the clamp and arm assembly.

## Exclusive cutting options

Our light weight clamp and arm assembly allow for either top or side cutting method. Not available with competitive models.

## No mixing

Oil Injected version requires no manual oil/gas mixing. Eliminates worry of using improper premixed fuel or possible use of straight gas, resulting in costly repairs and downtime.

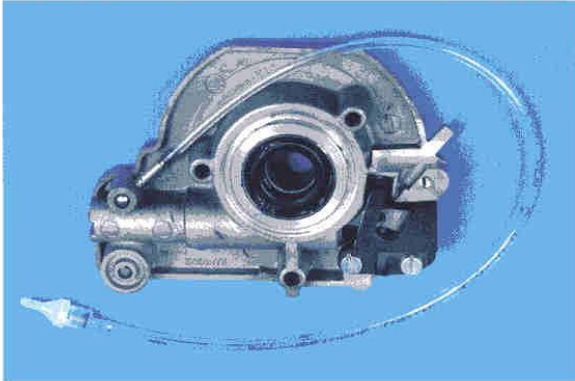

## Parts and service readily available

Easy serviceability when replacing maintenance parts, such as spark plug, filters and spark arrestor. Most common parts & repairs available through comprehensive Husqvarna Dealer Network. *(Contact Racine for details concerning Rail Cutting applications).* Dependable Racine Customer Service provides immediate parts shipments, in most cases within 24 hours. Equipment repairs are also available, performed in a cost saving timely fashion.

# RACINE ULTRA KUT SAWS

No premixing! Oil metering pump insures proper lubrication preventing costly repairs.

Lightweight 44 lb power unit easily attaches to clamp and arm assembly.

## PRODUCT SPECIFICATIONS:

- Husqvarna 3120XP/119cc Powerhead, developing 9.2 HP @ 9000 RPM. Includes decompression valve for ease in starting and electronic governed overspeed protection.
- Controlled wheel speeds — 14"/4800 RPM & 16"/4200 RPM.
- Two stage air filtration, using triple layer paper filter.
- For Oil Injected models, a pump is used to provide metered oil injected into the carburetor venturi, providing proper lubrication.
- Capable of working on 85-155 lb rail.
- Available options: steel storage box.
