

# ULTRA KUT III

**GAS**

INNOVATIVE DESIGN FROM RACINE RAILROAD PRODUCTS

## New Power Head Design

The Ultra Kut III utilizes the new Husqvarna K1270R power head, which is specially designed for heavy-duty use.

## New Features Include:

- Longer Rail Clamp Arms allows increased range of motion and less operator fatigue
- Aluminum wheel guard repels slag, lessening buildup over time
- Heavy-duty filtration system for more cuts with less maintenance and longer lifespan
- Air injection with centrifugal cleaning system allowing cooler, cleaner air to enter the air chamber
- More available power than competitive models
- One of the lightest saws on the market, weighing only 42 lbs (56 lbs, including the clamp and arm assembly)

## Exclusive Cutting Options

Our lightweight clamp and arm assembly allow for either top or side cutting method. Not available with competitive models.

Unique turn around feature that allows the operator to turn the saw and cut from the other side of the rail without removing the clamp and arm assembly.

Contact Racine Railroad Products, Inc. for details concerning Rail Cutting applications. Dependable Racine Railroad customer service provides immediate parts shipments, in most cases within 24 hours.

### Model 910196

Engine	Husqvarna K1270R, 2-cycle
Engine Displacement	119 cc
Includes decompression valve for ease in starting and electronic governed over-speed protection	
Weight: Power Head	42 lbs / 19.05 kg (56 lbs / 25.6 kg including the clamp and arm assembly)
Capable of sawing 60-175 lbs rail (including crane rail) with optional attachments
